## SKILLS

`CSS,` `HTML,` `Amazon S3`

`CloudWorks` `Amazon DynamoDB`

`Aws EC2 Auto Scaling`

`Cloud computing servers`

`Amazon Elastic Load Balancing`

## EDUCATION

### Bsc. Cs  - Computer science
*08/2020 - 05/2023*

Mulund college of commerce

*Mulund*

### *Courses*

◇ I learned learn multiple programming languages like Python, Java, C++, and others.And learned many Algorithms and Data Structures.And i Understand the fundamental concepts of operating systems, process management, memory management, and file systems.

### SSC - Basic
*06/2016 - 07/2017*

Divine Holy Convent English High School.

*Thane*

### HSC - Science
*06/2018 - 07/2019*

Gyanodaya Vidya Mandir

*Thane*

## WEBSITE DEVELOPMENT IN SOFT DRINKS BOOKING.

◇ Website development for soft drinks booking involves creating an online platform that allows users to order and book soft drinks.This includes designing an intuitive user interface where customers can browse available drinks, select their preferences, and place orders. The website would integrate a secure payment system to process transactions and offer features like order tracking and delivery scheduling.

## APPLICATION DEVELOPMENT FOR OLX BUYING AND SELLING APP.

◇ The app includes features for users to create accounts, list items for sale with descriptions and images, search for items based on categories and locations, and communicate with potential buyers or sellers.The development process encompasses frontend design for a user-friendly interface, backend development to manage user accounts, listings, and messaging, and integration of secure payment methods.

## CERTIFICATIONS.

◇ Certified on AWS Re/Start Program Learner by Edubridge Institute Pvt. Ltd.

◇ Certified on AWS Cloud Practitioner.

◇ Certificate of Completion in Ethical Hacking for Beginners  by SimpliLearn.
